Purchase The purchase price for your DWWR puppy:

Payment of the purchase price and, if applicable, Puppy Academy must be made in full by the time the Dog reaches five weeks of age. Only after full payment is made and the Dog reaches 8 weeks of age will ownership be transferred to Buyer. If full payment is not received by five weeks of age, this Agreement shall, at Seller's option, be canceled, and Buyer shall forfeit any deposit given.

Transfer of Ownership

In the next several weeks the final match of your Dog will be made and prior to transfer, the Dog will be examined by a veterinarian, micro-chipped, and will receive initial shots, and deworming. At the time of transfer, Buyer will receive a DWWR Warranty including the name of the Dog, microchip number and a "health passport" with his medical records.

Registration / Non Breeding Policy

Over many years we have had many wonderful customers. Unfortunately, there have been a few who have fraudulently purchased DWWR dogs to breed them without proper genetic screening and to other dogs who do not represent DWWR's standards. The animals have been falsely advertised as being from "DWWR lines". As a result, even though all of our breeding animals are registered, we no longer provide registration paperwork for our puppies and we have to ask for your agreement to our strict non-breeding policy.

Breeding of the Dog is expressly prohibited by this Agreement. If the Dog is bred intentionally or otherwise, Buyer shall immediately forfeit ownership of the Dog and any puppies to the Seller and Seller shall have the right to repossess the Dog, and any puppies, at the expense of the Buyer. To the extent that puppies have been sold without the Seller's knowledge all proceeds from these sales shall be due to the Seller. Finally, the Seller reserves the right to pursue further damages in court.

Other Agreements of Buyer

1. Buyer shall be responsible for the cost of transportation from Seller and for all risks and losses in transit.
2. Buyer will quarantine Dog from unfamiliar dogs and public places until the last set of puppy shots have been completed or until advised by a veterinarian. Seller will not be responsible for communicable diseases contracted after the Dog leaves Seller's premises.
3. Buyer agrees that the Dog is not being purchased for resale and will never be sold or transferred to a pet shop, puppy mill or agent of same.
4. Buyer will spay or neuter the Dog by 24 months of age (2 years old).
5. Buyer will provide the Dog with all annual vet exams, to continue all required vaccine and booster shots as recommended by their veterinarian and proper veterinary care.
6. Buyer will feed the Dog super premium quality dog food.
7. Buyer will provide the Dog with adequate housing away from the elements.
8. Buyer will assure the Dog maintains a healthy, lean weight which is critical for the dog's joint and overall health.
9. Buyer will groom, socialize properly, train, and care for the Dog in a manner consistent with high quality animal care.

Buyer will return the Dog to Seller if Buyer is unable or unwilling for any reason to care for the Dog, at no cost to Seller and with no refund of any monies. Buyer agrees never to surrender the Dog to a dog rescue, animal shelter or a friend/family member without permission from Seller.

Buyer agrees that Seller may repossess the Dog upon evidence of neglect and/or abuse at the expense of the Buyer and with no refund of any monies.
